The Society of the Evening Star is a religious / fraternal / educational organization. Our purpose is to provide the proper stimulus for an initiate to follow his (his/her) true will, to promote the evolutionary process of mankind and to increase awareness of the personal spirit.

While acknowledging the capacity of life extension as an eventual reality, stressed are the principles of universal coexistence and opening channels of space migration, as well as the reconciliation of the polarities within ourselves and our deities.

Our organization is made up of several divisions which include the Order of the Evening Star, Thoth Circle, Sequoia and NECTW.

The O.E.S. is the governing agent of S.O.T.E.S.. It is a center for ceremonial magicians who are devoted to the principles of S.O.T.E.S..

The Thoth Circle is a meeting place for like minded occultists to gather, research, study, discuss and assimilate knowledge about our practices and beliefs.

Sequoia is the library of S.O.T.E.S. and is open to all of its members.

NECTW is a Wiccan Coven of Celtic origin. It is a center for men and women to be trained as priests and priestesses of the Old Religion.

Each division of S.O.T.E.S. is responsible for its own membership, maintenance, functioning, needs and rules. These must not conflict with the tenants and standards of S.O.T.E.S..

S.O.T.E.S. and its divisions practice and educate in the fields of ceremonial magick, Wicca, astrology, divination, physics, meditation, yoga, herbalism, mythology and ancient cultures. We are not solely limited to these studies but encourage additional areas of study for the purpose of enlightening our spirits and preparing our souls for future incarnations.
