

January 10, 1979.

Dear Bate,

ZIR MAD MANIN IAIDON*

I am of the same, your God, in the mind of the
all power/full.

I to am delighted, my family is so the same, and they my
children will fore ever remain as free, blessed be.

On the twenty sixth day of FEBRUARY 1979. I will mail to you
all that will be for you to do with as ye will.

As I walk from the world into a place, ther the gentle
wind does blow over the mountain so low, here I dwell
and stir up the people to strengthen their spirit
and here we work on that which has been spoiled (DECAY)

I am soon this month to be called into a place were the
inhabitants are having difficulty with a few spirits

I will perform all of the rites of passage that are needed for
the safty of all who are to enter with me into a realgm
of mystery.

And from the Caldron of RORRIM I send to thee
Supreme good fortune, Success
Blessed be .

It is for me to make them feel rite and they will do rite.

With sincerity and
Love
