

A CIRCLE FOR SATURNIAN OPERATIONS.

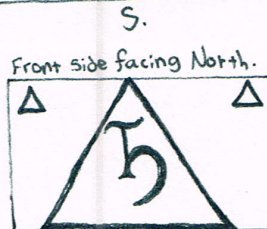

0. CIRCLE OF SATURN, USED IN OPERATIONS CONCERNING SATURN.
  1. Perform your banishing ritual to clear your chosen place of negative influences.
  2. Lay down the outer most circle, using either: black tape, black paint, black chalk or something of your own devise. Remember, whatever you choose to use must be black; black is the color of saturn.
  3. Thus, lay down the second circle the same.
  4. Now go to the northern most point of the circle.
  5. Paint the symbol of saturn.
  6. Go north-east, paint the name YHVH.
  7. East, paint the hebrew letter Tau (the cross).
  8. Go south-east, paint the name ADONIA.
  9. South, paint the hebrew letter Tau.
  10. Go south-west, paint the name EHEIEH.
  11. West, paint the hebrew letter Tau.
  12. North-west, paint the name AGLA.
- ( THIS SHOULD ALL BE PAINTED WHITE ON BLACK ).
13. Now lay out the inner most circle as the others were.
  14. Create within this circle a black triangle, its top point pointing north. This is where the alter will be placed.
  15. To your left, paint in black letters the name ELOHIM ZEVA' OT.
  16. To your right, paint the name ADONIA.
  17. Behind you paint the name AB.
  18. Now within the triangle paint the symbol of saturn.
  19. When all this is completed, finish with the supreme ritual of the pentagram.
  20. Now invoke saturn. This ritual is good for talismans of a saturnian nature. FINI.

THE ALTE R  
The alter should be draped in black.

\* If tools are to be used, I recommend the Sickle. The sickle, as in 777 is the magical weapon of Saturn.

ARCHIVES.

I recieved your letter of thanks today and I will gladly send more rituals to the archives. The reason I asked about addresses is because I am a prisoner in the Wisconsin prison system and there are not many people here like myself, the majority of occult practitioners here are wiccans, I am a ceremonial magician. The magicians I have ran across so ~~have~~ far have been beginners and I am looking for someone who is some what experiance I am very limited here, I have even been called a sat# anist on some occasions; to me that is very disrespectful. ~~Inclosed is a letter addressed to [redacted], he seems to be very prudent.~~
