

WORLD SOUL AWAKE

is the existence of Terra on fire with Love

• • •

I invoke the Worldsoul
 The Eternal Eye that sees All
 The memory of billions of years
 I invoke the Groupmind
 The Universal Consciousness
 One Heart, One Desire, One Mind
 I enflame the Group Unconscious
 to Consciousness:
 Total Self Awareness
 NOW!

One Being
 One Consciousness
 One Thought
 NOW!

I demand Joy through the Unity of Mankind
 I demand Peace for the beauty of Growing
 Through the Birth of the One Mind
 ONE!

I demand freedom for all Sentient Beings
 To do their Will in the Dance of TAO

I Evoke the Big Mess
 The Stink of Civilization
 I Evoke Racial-National-Religious-Political -Sexual
 Hatred and Violence
 I Evoke the Evil, Greedy Demon within us ALL
 NOW!

Inner stillness now
 Playing is the between Path
 I am Play
 I am the Star
 Within the System of Stars
 I am Earthed link in a long chain memory
