II-----HadiT:The LORD of Space

(Do The Oath of Enchantment, Qabalistic Cross, or do this as a simple meditation).

O Nu, I -HadiT-have compassion & keep my King alive even in Night.

I am the Builder of Temples as the Serpent of Delight & Time.

I raise the Elements of the Ether as I am the Spirit-HadiT.

I am the Not which fecundates the None. I, HadiT, beget Nuit's Son, Heru-

Ra-Ha. I am the Magician who Creates Universe, & Exorcises my King

of Demons & Devils.

I am the Flame of Life Itself & the Refuge-Point beyond Death & death.

I am HadiT:the Infinity-Atom of Primordial-Not while Nuit is the Universe

of All as Space.

I am perfection as Purple-Not-Infinity-Point in my Mistress.

(Finish with Qabalistic Cross, Oaty of Enchantment as you began: or

simply just come out of your prayer's subjective daydreaming if you

do this without gestures or Chakra/Sephirotic(Tree of Life)Development.

P.S. Anyone who does Prayers deeply by their own Holy Guardian Angels or

PERSONAL Macrocosmic Deities should be versed in Employing Psychic

or Spiritual Centers in the Body/Soul/Spirit.
