Student College

Do what thou wilt shall be the whole of the Law.

This is an Official A.:A.: Publication in Class D.
Issued Upon the Winter Solstice An. LXXXVIII, by Fra. 939.:
from an Abby of Thelema; Being the Villa Corvidae, Terra Flores.

Let it be known that the A.:A.: is now formally reactivating the Grade of Student. This first step upon the Path has, for many years, not been formally instituted. We find it now advisable to reactivate the Student status Grade.

It is well known that there is a general decline in the educational systems of many countries. This decline has left far to many individuals without a sound foundation in studies useful to beginning the Great Work. The Curriculum of A.:A.: can remedy these kinds of deficiencies in education. The Curriculum of A.:A.: can offer individuals in these circumstances contact, albeit in a limited way, with Instruction and a chance to begin to tread The Path. For is not mystery the enemy of Truth? Let, then, him or her who has ears hear Us.

Student -- (a definition from "One Star in Sight") -- His/Her business is to acquire a general intellectual knowledge of all systems of attainment, as declared in the prescribed books.

The course of study indicated in the official course syllabus is the primary task of the Student and should be adhered to by the serious. Selected A.:A.: documents may be sent out, at approximately one month intervals, for study and meditation. Interaction and dialogue between Student and Instructor is essential in the success of this endeavor. Therefore questions on these documents will serve as tests as to the seriousness of each Student.

Love is the law, love under will.
