Rafal T. Prinke....Hoping that this packet finds you well and in good spirits.

Enclosed please find:

-Journal #4

-Gnostica xerox

10 Archives query sheets

The Archives is well under way and we request permission to include the MSS written by you and photographs generated by you to date (please see letter of 8/20/81). You retain full copyright on all contributed materials therefore if you wish at a latter date to submit the same material to other publications Conquering Child is entirely agreeable. Before granting permission to us you may wish to contact other prospective publishers of your work (especially other Tarot cards) to see if they object.

Journal #5 is still a good 6 months away. Editing the Book of Maat is taking much longer than expected. Will notify you upon publication. Exchange will work out well.

We are including your exchange offer in Journal #5. THE BOOK OF PLEASURE is not very thick but its dimentions are 10 $\frac{1}{2}$ inches by 15 $\frac{1}{2}$ inches and has copyright per Kenneth Grant (England). Reproduction requires his permission. I will send a xerox copy to you if I can obtain permission from him.

John Philip Palmer's hopefully current address is 3122 York Street, Des Moines, Iowa 50316.

Saw your work in THE NEW EQUINOX AND THE HERMETIC JOURNAL. Fascinating! The insights provided by these articles are first rate.

Wishing you success in your Work;
