

ASAR UN-NEFER

I am one of those shining beings who live in the light. I am thy advocate Horus, I am thy advocate-Maat. I fly as a hawk, I am the heir exalted, the guardian of the darkness living in light. I see thy hidden things, I am diademed as a king of the gods, Not let be made an end of me. I am the great one son of the great one, fire

son of fire. I have dispelled the night, I have become glorious, I have gained possession of his rays of light. I am the lord of light, I fetter with bands the darkness and worms hidden. I make my nest in the limits of the sky. I am the soul, I am the lotus pure coming forth from the god of, light. I am silent, I am pure, I am he who is not known. I am the unveiled lord of lords, king of kings, god of gods, prince, guardian of the door that gives peace to the world. Sing hymns of praise to thee the stars that never rest. Lord of terror, victorious in peace. I am the god that shall come into existence among you.
