

LIBER A.R.T.

1. In the blinding starlight, one is discovered in shadow,
the Double Wanded One, QNA, ruler of the snakes entwined, DNA;
Androgyne, Gynander, Beast-Angel; ART.
2. The perfection of the Work,
before me- the Great Work complete.
3. I sing to thee, I praise and revile thee
heart of my heart and demon of my desire.
4. I entwine in love with thee upon the black sand
under a starless sky; the double ecstasy,
the delight of absolute zero- the Union.
5. I am in thee and encircle thy waist as a snake,
in the ruby light emminating from thy eyes.
6. Thou art the Beast that emerges from the Cauldron, reborn.
Thou elixir, Godling, Homo Alchemicus- Stone of Perfection.
7. The One is formed of the Three and the Three are thus;
The KA or Air-being who is NAUGHT, never found and a fool
among wild beasts.
8. In discovering Will the wanderer in the Abyss discovers the Path
upon which his feet have been for all time.
9. the second is;
The Sun of Light, Life, Love and Lust rises above the path,
by Heru the Fool sees the Way, the Work and the Goal.
10. The third is;
By the grace of the Child the vision erupts in flame
and a Gate of Black, whose name is Death, is passed.
Bab-Al-On, Gate of the Sun, Guardian of the Inner Shrine
where resides the greatest ART. QNA/Baphomitr.
11. All these are One and None, the Eighth within the Seven
and that which is beyond all yearning.
12. The stillness,
Between-point, the cry of Death; Dissolution.
13. Baphomitr makes an offering of the perfect jewel unto NUIT
and the heavens rush down upon him in blinding starlight.

-in nomine Baphomet
