

Comment by OTz PTN—690 upon the second Chapter of Liber AL vel Legis made this noon, day of Hadit, ev1978.

1. ~~Nu~~ Nu hides Hadit by virtue of Nu being orgasm which hides or masks the more subtle goings-on of kundaliné.
2. Had is the point from which the kundalini rises.
5. Right hand path of sex magick is black & to be cast away (ie sex without orgasm).
6. Death = orgasmic death = momentary death of the false ego during which the Observer is the only thing left.
7. Axle of the wheel = alpha helix of DNA
Cube in the circle used to be a symbol for LSD.
I that go=evolution.
8. Yet the DNA ~~s~~ is not the Child (ie Heru-pa-kraath).
9. That which remains is the aftermath of the orgasm, ie that which was accomplished either consciously or unconsciously.
14. Light devour men & eat them up with blindness = too much light on a mystry can hide just as well as utter darkness. This refers to the change in the sexual mores of the masses from puritanical silence to sexual satiety & lots of open discussion. Yet the real secrets remain hidden.
15. Nine by the fools; ie the Pure Fool sees Hadit as

the ~~Chariot~~ Hermit, while Maatians see the one in eight
ie 7 (not 9 as Crowley stated) which is the Chariot,
ie the go-er with the graal. Empress & King are not of
me, ie nuclear family defunct.

16. Empress & Heirophant is the mystical marriage, or
ix° & has nothing to do with an ongoing relationship
(but does not preclude it). ~~Againxxxxxxxx~~

17-20 Speak of the dis-ease of those who have weak
orgasms & know not the rise of the kundalini.

21. Don't worry about the orgasmic difficulties of others;
Spend energy only on rising your own kundalini.

Thou shalt not die refers to the supreme moment when
orgasmic death is circumvented by the awakening of that
which the false ego has kept forceably ~~s~~ asleep, so
that ego-death seems not to have happened for when the
false ego dies, the Observer awakes. The body may die,
but what a way to go!

22. Drugs such as lsd and yohimbe may ~~even~~ assist one
who is already on the right path to attain faster than
without them. Such short-cuts are in no ways forbidden.

23. Samadhi of samadhi

24. Beasts of women with large arms are the muscular
assistants who have the strength & stamina to keep the
aspirant going long enough without allowing him to
orgasm. Flaming hair is the brilliant aura one finds

surrounding these 'kundalinic assistants' from the built up static charge of unrequited orgasm. Personal experience has shown me that hand-job artists often get fully erect nipples as the pre-orgasmic waves flow outward from my Hadit point.

People with the ~~adepts~~ attainment of Hermits often attract a following (army) because of sexual magnetism. The unsavory ones like Charly Manson are documented more often than true adepts.

25. These techniques are not for the masses who average less than 10 minutes from foreplay to orgasm & then to sleep. Spending long hours in sexual rapture is against the American ideal of instant gratification.

26. If orgasm can be held-off then Nuit in the brain box is achieved via rising kundalini. Rapture of the earth is the 'consolation' prize of a good orgasm.

27-33 Quite clearly a diatribe against continually asking of useless questions in an effort to avoid doing magickal work.

34-43 Similar in intent to a booklet I have which delineates all the various holidays of the year in order to give the reader as many opportunities to celebrate as possible.

44-45 Contrasts those who work at ecstasy and those who want an orgasm in 30 seconds.

46. Are you sorry that you came too soon? Are you afraid that it will happen again?
47. Don't worry about it! If I am with you, these failings will pass away.
48. Don't ~~wx~~ worry about other people's orgasmic problems. It isn't good for you or for them either.
49. The orgasmically inferior will pass away for I will conquer them eventually (ie I will awaken the king within them). amen=dead flesh. Add Spirit and the orgasmic king is manifest.
- 50-51 The colors have specific meanings which I am not yet ready to comment upon. Perhaps when my Observer awkes I will knoe more.
52. Lying specter of virgin=purity=sex is bad.
- 57-58 Change is impossible does not mean that there is an inherant slave class. It means we are all already kings if we but awaken the fifth part spoken of in49.
- 59-60 Although all be king, those who do not yet realize it can stupidly do you harm. Do not hesitate a moment to crush these idiots who refuse to ~~fx~~ do their True Will.
- 61-649 Poetic language for the dissolution of the infinitely prolonged orgasm. See diary entry for day____.
70. Such attainmetⁿ doesn't come easily. Keep working at it.
