

THE STAR ONYX

A Banishing Ritual for use in Cthulhuoid Workings,
written in the Enochian Language.

I. The Elder Cross.

With thy left hand describe a great circle above thee,
crying: IA! YOG-SOTHOTH!
Touch thy Ajna-Chakra and say, NONCA (to you)
Touch thy Muladhara-Chakra and say, LOADOHI (the kingdom)
Touch thy left shoulder and say, MICAOLZ (mighty)
Touch thy right shoulder and say, QUASAH (pleasure)
Touch thy Anahata-Chakra and say, GOHED (everlasting)
End by crying, IA!

II. The Invocation of the Quarters.

Go to the East and make the Pentagram, crying AZATHOTH!
Go round to the North and repeat, crying SHUE-NIGGURATH!
Go round to the West and repeat, crying YOG-SOTHOTH!
Go round to the South and repeat, crying NYARLATHOTEP!
Return to the East, closing the circle.

III. The Invocation of the Great Old Ones.

Stand with thy arms and limbs spread in the midst of thy
Circle and cry: TORZUL CTHUGHA! TORZUL SHUDE M'ELL!
TORZUL CTHULHU! TORZUL HASTUR! (arise Cthugha, etc.)
LAP NOMIG AZATHOTH I A NOTHOA, AR YOG-SOTHOTH I
COCASG OD TOFGLO POLA! (for even as Azathoth is in
the midst, so Yog-Sothoth is time and all things
together.)

IV. The Ending.

Repeat the Elder Cross as above, but end with the cry,
IA! YOG-SOTHOTH!
